Spark your child's creativity in this fun and playful **MINI ART: MIXED MEDIA** program designed especially for young artists with big imaginations!

Each 30-minute session introduces children to a variety of art materials and techniques as they explore painting, collage, drawing, printing, and other mixed media activities.

Through hands-on projects, children will explore color, texture, shape, and creativity while developing fine motor skills, self-expression, and confidence in a fun and encouraging environment.

Every class is process-focused, allowing budding artists to create, explore, and discover comfortably at their own pace.

WHERE CREATIVITY TAKES FLIGHT!
