Discover, create, and explore through the exciting world of S.T.E.A.M.!

**MINI S.T.E.A.M.** is a designed especially for young children to explore **Science, Technology, Engineering, Art, and Math** through hands-on activities, experiments, building challenges, and creative projects.

Each week, children will have the opportunity to try new ideas, solve problems, ask questions, and discover how the world around them works all while having fun, making friends, and building confidence as little innovators!

This playful program will help children strengthen critical thinking skills, explore endless possibilities, and discover that learning can be an exciting adventure!

**SPARK CURIOSITY, CREATIVITY,  
AND A LOVE OF LEARNING!**
