INTRODUCTORY ARCHERY focuses on safety and fundamentals, teaching beginners the USA Archery shooting strategy composed of 11 steps.

Throughout the course, the instructor will slowly introduce more steps and concepts surrounding archery, including the parts and components of archery equipment and different avenues for the pursuit of archery for kids wishing to continue.

ADVANCED ARCHERY* is optional and encouraged for archers with previous experience. This advanced class will continue to build on the 11 steps and dive deeper into form and philosophy of performance in Archery.
