CLAY CREATIONS (5 - 9 YEARS) is a fun, hands-on ceramics class designed to teach young artists the basics of handbuilding with clay!

Using simple techniques like pinching, coiling, and slab-building, kids will create their own playful sculptures, bowls, animals, and more.

They'll explore texture, shape, and creativity while developing fine motor skills and self-expression.

All projects will be kiln-fired and glazed, ready to take home and treasure. No experience needed - just imagination!
