- **Pickleball** is a fast-growing sport that combines elements of tennis, badminton, and ping-pong, played with a lowered net.

- **Typti** is a brand new sport that is easy to learn and addictive to play combines a tennis racquet and a ridged foam ball.

Both sports are designed to be low-impact and accessible to all ages and abilities. It's also a great way to meet people and build friendships — even off the court.

Come try a class and discover your new favorite racket sport. Feel the fun from the very first hit!
