ART IS MESSY!
You should wear clothing that can come in contact with art materials.

INTRO CLAY CREATIONS is a fun, hands-on ceramics class designed to teach young artists the basics of handbuilding with clay!

Using simple techniques like pinching, coiling, and slab-building, kids will create their own playful sculptures, bowls, animals, and more.

They'll explore texture, shape, and creativity while developing fine motor skills and self-expression.

All projects will be kiln-fired and glazed, ready to take home and treasure. No experience needed – just imagination!

WHERE IMAGINATION TAKES SHAPE!
